

## **EMERITA RESOURCES RECOGNIZED ON THE 2025 TSX VENTURE 50 LIST OF TOP PERFORMING COMPANIES**

**TORONTO, February 21, 2025** - Emerita Resources Corp. (TSX-V: EMO; OTCQB: EMOTF; FSE: LLJA) (the “Company” or “Emerita”) is proud to announce that it has been recognized on the 2025 TSX Venture 50 as one of the top-performing companies. During 2024, Emerita delivered on operational excellence at its Iberian Belt West and Nuevo Tintillo projects, continued its commitment on community engagement in Spain, and propelled shareholder value forward.

David Gower, CEO of Emerita, states, "The Company is honoured to be recognized as one of the top-performers on the TSX Venture Exchange. Throughout 2024, our team has worked tirelessly to continue delivering outstanding results. This includes our commitment to technical innovation with the metallurgical studies at IBW, groundbreaking application for water treatment and environmental preservation, and open dialogue with our local stakeholders. Drill results at the El Cura deposit continue to strengthen the IBW project. All members of our dedicated team have contributed to the achievements of the Company. We look forward to the coming year and even bigger success in 2025 as we achieve important milestones in the Company’s continued business development."

The TSX Venture 50 is a ranking of the 50 top-performing companies on the TSX Venture Exchange out of 1,605 TSX Venture Exchange (TSXV) listed companies as of December 31, 2024. The ranking is based on three equally-weighted criteria; one-year share price appreciation, market capitalization increase, and Canadian consolidated trading value.

### **Cautionary Note Regarding Forward-looking Information**

This press release contains “forward-looking information” within the meaning of applicable Canadian securities legislation. Forward-looking information includes, without limitation,

statements regarding the prospectivity of the Company's projects, the value and trading of the Company's common shares and the Company's future exploration plans and the Company's future plans. Generally, forward-looking information can be identified by the use of forward-looking terminology such as "plans", "expects" or "does not expect", "is expected", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates" or "does not anticipate", or "believes", or variations of such words and phrases or state that certain actions, events or results "may", "could", "would", "might" or "will be taken", "occur" or "be achieved". Forward-looking information is subject to known and unknown risks, uncertainties and other factors that may cause the actual results, level of activity, performance or achievements of Emerita, as the case may be, to be materially different from those expressed or implied by such forward-looking information, including but not limited to: general business, economic, competitive, geopolitical and social uncertainties; the actual results of current exploration activities; risks associated with operation in foreign jurisdictions; ability to successfully integrate the purchased properties; foreign operations risks; and other risks inherent in the mining industry. Although Emerita has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking information, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such information will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking information. Emerita does not undertake to update any forward-looking information, except in accordance with applicable securities laws.

NEITHER TSX VENTURE EXCHANGE NOR ITS REGULATION SERVICES PROVIDER (AS THAT TERM IS DEFINED IN THE POLICIES OF THE TSX VENTURE EXCHANGE) ACCEPTS RESPONSIBILITY FOR THE ADEQUACY OR ACCURACY OF THIS RELEASE.
